

Materials List for Intro to Drawing with Mixed Media with Rachel Popowcer

For this class you will need:

1 multipurpose drawing pad, 18"x 24" or larger and a piece of 22"x 30" cold-press watercolor paper (Strathmore is a good brand for both)

Drawing board with clips or piece of masonite or foam board large enough to hold your drawing paper (this is optional because we draw on tables, but it's nice to have a portable, smooth surface to work on in class and at home or if you want to work on an easel).

Graphite pencils, H, HB, 2B, 4B, 6B (you're welcome to get more or buy them in a pack as well)

3 pack of Micron black pens

2 sticks each of white and black conte crayon

Blending stumps (either one medium size or a range of sizes is fine)

A white and a kneaded eraser

Colored pencils, set of 12 (Prismacolor is a good brand)

Small watercolor set and brush

Oil pastels, set of 12

small container of rubber cement (4 oz.)

small container of masking fluid (2.5 fl. oz.)

A ruler, 12" or longer

Roll of masking tape or Frog Tape

If you can order materials ahead of time, www.dickblick.com is a good online resource.

I'll also go over materials and projects on the first day, so if you want to wait to get some materials until then, that's fine.

For the first day you will need: Watercolor paper, graphite pencils, micron pens, eraser, rubber cement, masking fluid, tape, ruler, small watercolor set.
