

Materials List for
Painting en Plein Aire with Gouache
with Cynthia Inson

Casein paint to use as underpainting. Students can either bring one tube of casein or several to try different effects for the finished gouache sketches. Once it dries, and that happens within minutes it serves to seal the paper.

Gouache paint.

A good limited pallet consists of:

Permanent White

Lamp Black

Cadmium Yellow

Winsor Newton Spectrum Red

Ultramarine Blue

Burnt Sienna

(Feel free to bring more colors of your choice)

Brushes: (do not bring your best) You want synthetic brushes. One inexpensive option is offered on Amazon

Pallet to mix colors- any recloseable watercolor pallet will do. (there is a good one offered on Amazon)

Re-closable water container.

Pad of multimedia paper and clips to hold open.

Pictured below are two inexpensive but very good options for the pallet and brushes.
