

Materials List for Monotype

8 x 10 plate will be provided by instructor. \$10 (cash please)

Cranfield Safe Wash relief or etching ink

Cranfield safe wash oil

OR Charbonnel water washable printing ink and oil

Both Cranfield and Charbonnel can be purchased in town at Takach Press (open Monday through Friday) or Dick Blick online

Paper towels

4" speedball brayer – Dick Blick, possibly Hobby Lobby, Amazon, Micheals or Artisans

Q-tips, brushes, toothpicks, make-up sponges etc., for ink removal in the painting process. Things to make impressions with like textured cloth or stencils can used

Images you would like to work with

Paper- reasonably thick – Speedball, Rives BFK, Arnhem 1618

Washi or rice paper not recommended. Takach, Artisans, and Dick Blick all carry printmaking paper

*****If you would like to try monotype with oil paint****

Oil paints traditional

Gamsol Dick Blick, Amazon, Micheals, Artisans...

Cranfield transparent extender (traditional NOT safe wash) this is important because it makes the oil paint printable

Monotype with oil paints is very much like regular painting... so brushes are needed.

Mixed Media – once you have created a monotype it can be further worked with pen and ink, colored pencils etc... feel free to bring your favorite art tools.
